9 **Section 2:** The FRC will be composed of a rotating list of seven State Central Committee  
10 members chosen from a list of current County Chairmen and Legislative District Chairmen  
11 who volunteer to be on that list. The schedule will follow a first come, first serve, basis. A  
12 member may, at their own expense, hire an accountant to act as a proxy for them.

13  
14 **Section 3:** The Party Chairman will notify the County and Legislative District Chairmen of  
15 their selection to the FRC. If a County or Legislative Chairman can't participate on the  
16 committee as scheduled, the Party Chairman will move to the next member on the respective  
17 list of chairmen.

18  
19 **Section 4:** Meetings of the FRC may happen in person or in accordance with Article XI:  
20 Electronic Meetings. Any official business or votes taken by the committee require the  
21 participation of all three members.

22  
23 **Section 5:** The FRC shall complete and present a draft report of its findings to the Party  
24 Chairman and Executive Committee no later than three months after the review start date and

1 at least six weeks prior to the annual winter meeting. The report will provide include one of  
2 the following status options:

3  
4 (1) Pass – Financial activities are documented in full; party expenditures match the  
5 approved biennial budget and any existing supplementation;

6 (2) Review Required – Documentation for financial activities is missing; party  
7 expenditures do not appear to match the approved biennial budget or supplementation; a  
8 list of items needing review and resolution included

9  
10 **Section 6:** A draft report submitted with a status of “Pass” must be reviewed by the Party  
11 Chairman and the Executive Committee prior to the annual winter meeting. A 2/3 majority  
12 vote by the Executive Committee is required to accept the report. An executive summary of  
13 the report will be prepared by the Party Chairman and presented to the State Central  
14 Committee at the next annual winter meeting.

15  
16 **Section 7:** A draft report submitted with a status of “Review Required” will identify issues to  
17 be addressed by the Party Chairman, Executive Committee, and/or staff with a deadline of  
18 four (4) weeks after receipt. On that date, an explanation for how each identified issue in the  
19 report was resolved must be provided to the FRC.

20  
21 **Section 8:** The FRC will review the resolution of the issues, and if it determines the issues to  
22 be resolved, it can update the report status to “Pass.” The Party Chairman and Executive  
23 Committee will then complete the process described in section (f) with the provision that the  
24 report may happen at the annual summer meeting if issues are resolved after the annual

1 winter meeting and prior to the annual summer meeting.

2  
3 **Section 9:** In the event the FRC does not believe all identified issues have been resolved, the  
4 report status will remain “Review Required.” The FRC will determine how much additional  
5 time to provide the Party Chairman, Executive Committee, and/or staff to resolve the issues.  
6 The schedule and timing for resolving these issues is at the discretion of the FRC but must be  
7 completed prior to the next annual meeting (winter or summer). If the Party Chairman and  
8 Executive Committee decline to work with the FRC the report status will remain “Review  
9 Required.”

10  
11 **Section 10:** If the status of a report remains “Review Required” by the next winter or  
12 summer meeting, the Party Chairman will provide an executive summary to the State Central  
13 Committee explaining the outstanding issues and how the Executive Committee plans to  
14 resolve those issues.

15  
16 **Section 11:** In the event, that a FRC’s report status remains “Review Required,” no new  
17 biennial budget can be approved by the Executive Committee and implemented by the Party  
18 Chairman until all identified issues in the report are resolved and the FRC updates the report  
19 status to “Pass.” The Party Chairman and Executive Committee will then complete the  
20 process described in section (f).

21  
22 **Section 12:** Access to this financial information comes with the expectation of  
23 confidentiality and specific details disclosed to a member of the FRC may not be released to  
24 the public without the permission of the Executive Committee. A 2/3 majority vote is

1 required for a public release. FRC members who make public specific financial details  
2 without the permission of the Executive Committee will be blocked from participating on the  
3 FRC for two years from the date of disclosure. Disclosing to other State Central Committee  
4 members does not qualify as a public release and those members are held to the same  
5 confidentiality standards outlined in this section.

15  
16 **Section 3:** In cases of vacancy in the office of Legislative District Chairman or the

19 empowered to appoint a Precinct Committeeman/woman in the District as acting Chairman for  
20 the purpose of calling and conducting the meeting. In the case that no such Precinct

20

21 **ARTICLE II: COUNTY DELEGATE SELECTION MEETING**

22 **Section 1:** Thirty (30) days prior to the May Primary Election in each Presidential election year,

16 Delegate as Chairman of the Delegation.

17

18 **Section 4:** An individual otherwise qualified by these rules may be selected to be an alternate

6 delegation to the state convention, the delegate(s) to be on convention committee(s), and the  
7 Delegate's (Delegates') committee preference. County and Legislative Chairmen are the  
8 Certifying Officials for their Delegate Selection. Delegate selection results will be sent  
9 electronically and are to be followed up with a signed hardcopy delivered to the Republican State  
10 Headquarters. Any delegate or alternate not supplying a valid name, mailing address, phone  
11 number, or email address may be denied credentials to the convention per Article III, Section 3  
12 of the Rules of the Convention. Failure of one delegate or alternate to supply correct or complete

14

15 **Section 2:** The State Chairman shall be charged with issuing the roll of the State Convention,  
16 based upon the Legislative District and County elections, preferably three days but no later than

1 aggrieved, and must specify the particulars alleged violate. The State Chairman shall refer such  
2 cases to the Credentials Committee of the Convention who shall make a recommendation to the  
3 Convention as a whole. Delegates involved in the case shall not be allowed to vote on the  
4 question.

5  
6

7 **ARTICLE IV: STATE CONVENTION**

8 **Section 1:** Delegates to the State Convention elected at the Legislative District and County  
9 meetings shall have the right of full participation in all Convention matters. All Republican State  
10 Conventions shall be open, and attendance shall be invited from all members of the Party, but

12 matters before the Convention or before committees of the Convention.

13

14 **Section 2:** The Rules of the Convention shall be the rules adopted by the previous Republican  
15 State Convention until such time as the State Convention adopts new rules, which shall become

17 selection as adopted by the State Central Committee.

18

19

24 **Section 2:** On or before the last Monday in September in the year preceding a presidential

1 primary, the State Party Chairman shall notify the Idaho Secretary of State's Office that the  
2 Idaho Republican Party opts to participate in the presidential primary. The Chairman shall  
3 further notify the Secretary of State's Office that any Idaho voter otherwise permitted to  
4 participate in a Republican primary election in the Rules of the Idaho Republican Party may  
5 also participate in the Republican presidential primary.

6

7 **Section 3:** The results used for the allocation of delegates and alternates to the Republican  
8 National Convention must be based on the results certified by the Secretary of State to the  
9 Chairman after the state canvass.

10

11

12 ***ARTICLE VI: APPORTIONMENT AND SELECTION OF DELEGATES TO THE***  
13 ***REPUBLICAN NATIONAL CONVENTION***

14 **Section 1:** (a) No less than fifteen (15) days prior to the presidential primary, a candidate  
15 who has properly filed with the Secretary of State's Office to run in the Republican  
16 presidential primary shall submit to the State Party Chairman:

17

18 (1) A nonrefundable delegate processing fee of one thousand dollars (\$1,000) made  
19 payable to the Idaho Republican Party,

20 (2) A list of proposed delegates, in order of preference, totaling up to eighty percent  
21 (80%) of the total number of delegates to the Republican National Convention  
22 allocated to Idaho, and

23 (3) A list of proposed alternates, in order of preference, totaling up to eighty percent

1 (80%) of the total number of alternates to the Republican National Convention  
2 allocated to Idaho.

3  
4 (b) In the event the Secretary of State removes a candidate's name from the ballot for any  
5 reason pursuant to Idaho Code, the candidate whose name is removed from the ballot shall  
6 not be entitled to a refund of the delegate processing fee. A candidate who withdraws from  
7 the race, suspends his campaign, or releases delegates without removing his name from the  
8 ballot shall likewise not be entitled to a refund of the delegate processing fee.

9  
10 (c) Any candidate who fails to submit a list of proposed delegates and a list of proposed  
11 alternates to the Republican National Convention in compliance with any provision of  
12 subsection (a) of this section forfeits the ability to designate delegates or alternates to the  
13 Republican National Convention up to the extent of the candidate's noncompliance.

14  
15 (d) Any candidate who fails to pay the delegate processing fee in compliance with subsection  
16 (a)(1) of this section forfeits the ability to designate delegates and alternates to the  
17 Republican National Convention.

18  
19 (e) A candidate who forfeits the ability to designate delegates or alternates to the Republican  
20 National Convention in whole or in part shall not be denied the amount of pledged delegates  
21 or alternates as otherwise provided in these rules.

22  
23 **Section 2:** No later than thirty (30) days after the Secretary of State certifies the results of  
24 the presidential primary to the Chairman, the Chairman shall appoint a special committee to

1 calculate delegate apportionment pursuant to the provisions of this Article.

2

3 **Section 3:** (a) Delegates must be apportioned among the candidates on the Republican  
4 presidential primary ballot by determining the proportion of the number of votes cast for each  
5 candidate to the total number of votes cast for all candidates in the Republican presidential  
6 primary. For each delegate apportioned to a candidate, an alternate delegate is also  
7 apportioned to that candidate.

8

9 (b) In order for a candidate to qualify for an apportionment of delegates, a candidate must  
10 receive at least twenty percent (20%), before rounding, of the total vote cast for all  
11 candidates in the Republican presidential primary. If a candidate fails to garner twenty  
12 percent (20%) of the total vote, the candidate does not qualify for an apportionment of  
13 delegates, and delegates that would be pledged to such a candidate will be apportioned  
14 proportionally among candidates who clear the twenty percent (20%) threshold. Provided  
15 however, if no candidate clears the twenty percent (20%) threshold, the provisions of this  
16 subsection shall not be in effect, and delegates shall be apportioned proportionally.

17

18 (c) If any candidate receives more than fifty percent (50%) of the total vote cast for all  
19 candidates in the Republican presidential primary, all delegates available to Idaho under the  
20 Rules of the Republican National Committee shall be apportioned to that candidate.

21

22 **Section 4:** (a) If a candidate receives more than fifty percent (50%) of the vote in the  
23 Republican presidential primary, the candidate is entitled to have eighty percent (80%) of all  
24 the delegates and alternates apportioned to Idaho selected from their lists of delegates and

1 alternates provided to the Chairman. If the candidate's list of delegates or list of alternates  
2 does not include a sufficient number of names to fill each slot allocated to the candidate, the  
3 unfilled delegate or alternate slots will be filled at the State Party Convention.

4 (b) If no candidate receives more than fifty percent (50%) of the vote, each candidate who is  
5 apportioned delegates is entitled to have eighty percent (80%) of that candidate's delegates  
6 and alternates selected from their lists provided to the Chairman. Each candidate's delegate  
7 and alternate slots shall be filled in order of preference from each candidate's list. If any  
8 candidate's list of delegates or list of alternates does not include a sufficient number of  
9 names to fill each slot allocated to the candidate, the unfilled delegate or alternate slots will  
10 be filled at the State Party Convention.

11

12 **Section 5:** If a delegate or alternate from a candidate's lists dies, resigns or is otherwise  
13 unable to attend the Republican National Convention, the candidate or his representative will  
14 communicate such inability to the Chairman and a suggested replacement. The Chairman, in  
15 consultation with the candidate or representative, will fill the vacancy.

16

17 **Section 6:** The remaining twenty percent (20%) of delegate and alternate slots shall be  
18 selected as pledged delegates to the Republican National Convention, using the same  
19 proportion as the presidential primary and pursuant to the provisions of Sections 3 and 4 of  
20 this Article. These delegates and alternates will be selected by the Nominating Committee of  
21 the Idaho State Republican Convention. If a candidate's list of proposed delegates or  
22 alternates does not include a sufficient number of names to fill all the delegate or alternate  
23 slots otherwise apportioned to the candidate, the unassigned delegate and alternate slots will  
24 be filled by the Nominating Committee in the manner consistent with all other delegates and

1 alternates selected by that committee, provided however, that delegate slots filled in this  
2 manner must be pledged to the candidate who would have otherwise been able to designate.

3

4 **Section 7:** The Chairman's special committee on delegate allocation will certify in a written  
5 report to the Nominating Committee of Idaho State Republican Convention the total number  
6 of delegates and alternates apportioned to each candidate. The written report must also  
7 include the names of the delegates and alternates apportioned to candidates and the  
8 remaining delegates and alternate slots to be filled by the Nominating Committee consistent  
9 with the provisions of this Article and the Rules of the State Convention.

10

11 **Section 8:** (a) On the first ballot taken at the Republican National Convention, the delegates  
12 and alternates must vote for the candidate who proposed them on their list or the candidate to  
13 whom they are pledged if selected by the Nominating Committee.

14

15 (b) If a candidate dies, withdraws, or releases delegates or alternates prior to the  
16 commencement of the Idaho State Republican Convention without submitting a list of  
17 proposed delegates to the Chairman or having submitted a list with too few proposed  
18 delegates to fulfill the allocation that would otherwise correspond to such a candidate, then  
19 the Nominating Committee may nominate as many delegates and alternates as the candidate  
20 would have been entitled to serve as uncommitted delegates.

21

22 (c) If a candidate dies, withdraws, or releases delegates and alternates prior to the first ballot  
23 at the Republican National Convention, delegates and alternates committed to such a  
24 candidate shall, thereupon, become uncommitted delegates.
