

Procedure for Selection of Delegates/Alternates to Republican State Convention  
District 13

1. The selection of delegates to the Republican State Convention shall occur immediately upon completion of the organizational meeting of the District Committee following the primary election in the years in which a State Convention occurs.
2. The newly elected District Chairperson shall conduct the selection procedure.
3. The District Officers (Chairman, Vice Chairman and Secretary) shall be selected *ex officio*. They will be polled to determine if they are willing and able to attend the convention. In the event one or more of them is unable to serve as a delegate, that delegate position(s) and alternates will be filled per step 4.
4. Precinct chairpersons will be allowed to self-nominate for the positions of delegate or alternate. All nominees will be assigned a number. The numbers will be placed in a container and randomly drawn. The order in which the numbers are drawn determines the order in which the delegates/alternates will be selected. Any other persons attending the meeting that are interested in serving as a delegate or alternate may self-nominate. These will be assigned a number and randomly drawn as was done for precinct chairpersons. If there are open delegate positions remaining after Step 3, those positions will be filled by the first name(s) drawn. Once the delegate positions are filled, the remaining names will be selected as alternates in the order in which they were drawn. The non-committee persons will be selected in the order in which they were drawn to fill remaining delegate/alternate positions after the committee chairpersons have been selected.
5. The chair will entertain a motion to officially elect the selected slate of delegates and alternates to represent the District at the State Convention.
6. All persons not selected as a delegate are eligible to participate in the delegate/alternate procedure of the Central Committee.
